

You are invited to attend a free

“Project Learning Tree” **Teacher Workshop**

Presented by DLNR - Division of Forestry and Wildlife, Department of Education,
Hawai'i Nature Center, Project Learning Tree & U.S. Forest Service

Saturday, February 20th 9:00am - 3:30pm

Hawai'i Nature Center in Makiki, O'ahu

\$20 refundable* reservation fee

*This fun and interactive workshop provides teachers
with an in-depth look at an “award winning,
multi-disciplinary environmental education program.”*

What educators said about DOFAW's 2009 workshops:

“The information presented from all the different speakers is easily adaptable to my grade level. Such a wealth of information!” Waiakeawaena teacher.

“It's great to go out in the field and learn more about our aina!” Volcano School of Art and Sciences teacher.

Workshop Details:

- **Workshop is free*** (see below for reservation info)
- Free lunch and snacks
- Focus on middle school
Teachers of other grade levels may attend and adapt materials for their own use.
- DOE PD credits offered for 7th-8th grade science teachers.

Participants will receive:

- PLT Pre K-8 Curriculum Guide with 96 lessons!
- Hawai'i-specific adaptations of several activities
- Additional resources including posters, access to field experts and grant opportunities.
